## Park Security Update

Over the summer months we have expanded our staff for the growing need for more security in our parks. We currently have a staff of 14 Park Security Officers. We now have enough officers to cover the East, West and Central city districts.

We have recently obtained a portable office trailer (Pictures Below). Many thanks to those who helped get the trailer operational. The trailer proved to be a valuable asset during the RNC. The trailer is now located at the Phalen Maintenance facility. The trailer will be used for our officers that patrol the East Side Parks and Recreation Centers.
